

22 February 2011

Dear Member

NEW HQ – Launch Night

It has been some time since we last wrote to you regarding the plans for the new changing rooms and clubhouse, and you would be forgiven for wondering what's been happening or 'here we go again' another grand scheme fallen by the wayside.

It is true that the planning hasn't gone as quickly as we had hoped but it certainly has not been shelved. Tenders have now been received for the design team has been appointed. The team are developing a more detailed scheme and producing the level of information required by the funding bodies from whom we are seeking grant aid.

Some time ago we wrote to you asking for your financial support through a few schemes we had proposed, eg. 'buy a brick' Foundation member or 200 club. Unfortunately, the take up has been a little slow and we suspect that this is because you may feel that you would be parting with your cash to a lost cause and we need to assure you that this is not the case.

We would like to invite you to a launch night so that we can present the latest plans, update you in how we may raise some of the capital funding required to deliver the new facility and hopefully give you the confidence that we are committed to seeing this project through.

The launch night will be held on Friday 11th March 2011, on the eve of the Wales v Ireland international, and commence at 7.30pm. Who knows there maybe a free pint waiting for you!

It is hoped that you will join us and be able to offer some support or advice as it is important that we draw on the experience and knowledge of the members to ensure that we achieve our goal.

Many thanks

Regards

Barrie Laskey
Chairman
